

LOCAL ATTRACTIONS

Our guests never want to miss the boutiques, shops and galleries. The inns, pubs and restaurants offer everything from casual to fine dining (all within a 10 – 15 minute walk).

We enjoy the best sunsets in Canada (according to National Geographic) and the Bayfield River is home to a commercial fishery (with a fresh lake fish market) and an ever changing collection of luxury yachts.

There is much to discover in Huron County including Goderich (one of the prettiest towns in Canada), popular summer theatres and some exceptional golf courses, all a short drive away.

ACTIVITIES FOR EVERY SEASON

Bayfield is colourful in autumn and beautiful in winter. We enjoy our off season stays with friends and family close to the fire and sometimes, a quiet read or a classic movie.

For the more adventurous, snowmobiling, cross country skiing and tobogganing are all within easy striking distance.

For summer breaks the home overlooks Lake Huron, with steps down to the beach, great swimming and a large play area for the children.

Walking – the residents and visitors to the village walk everywhere all the time – beaches, village streets, rivers and trails and in all seasons.

Bayfield is a very friendly family place reminiscent of an earlier time.
